Marisol,

There was a request to use the showers at Hollywood Pool earlier this year that was not fulfilled. Hollywood Pool is a seasonal pool and locked down during the off season. The division uses the facility to store seasonal pool items for Hollywood and additional facilities since it is a secured location and alarmed. Another possibility is for the group to identify an organization that can provide a portable shower trailer for the event.

Hi all,

I'm circling back on this request. Per the organizers of the event, they have done this before. Can RAP please confirm this?

Thanks,

Hi Dan :

This is a steep request as this is a Holiday and we are normally closed. I don't know if there is sufficient aquatics and maintenance staff for this permit request .

I'm going to defer to our Aquatics Director Trish Delgado who I have included on this email..

spc :-)

Hi Sophia,

A non-profit called the LOVE Foundation (which does an annual event at Hollywood Recreation Center on Thanksgiving Day) is inquiring about the possibility of using the showers at the pool house as part of their event.

They service homeless individuals and are inquiring about use of the showers from approximately 8:00 or 9:00 AM until 12:00 PM.

The showers would of course need to be staffed, etc. Do you know how much it would cost to have them operational and in use at this time, and/or if it's even a possibility?

Thanks,

Good evening Dan,

the time of the event is 7am-11am for set up and 11am to 3pm the dinner and 3pm- 5pm clean up.

So the showers would need to be open from 8/9am to noon.
